EXTRAORDINARY ENTERTAINMENT,

AHOY

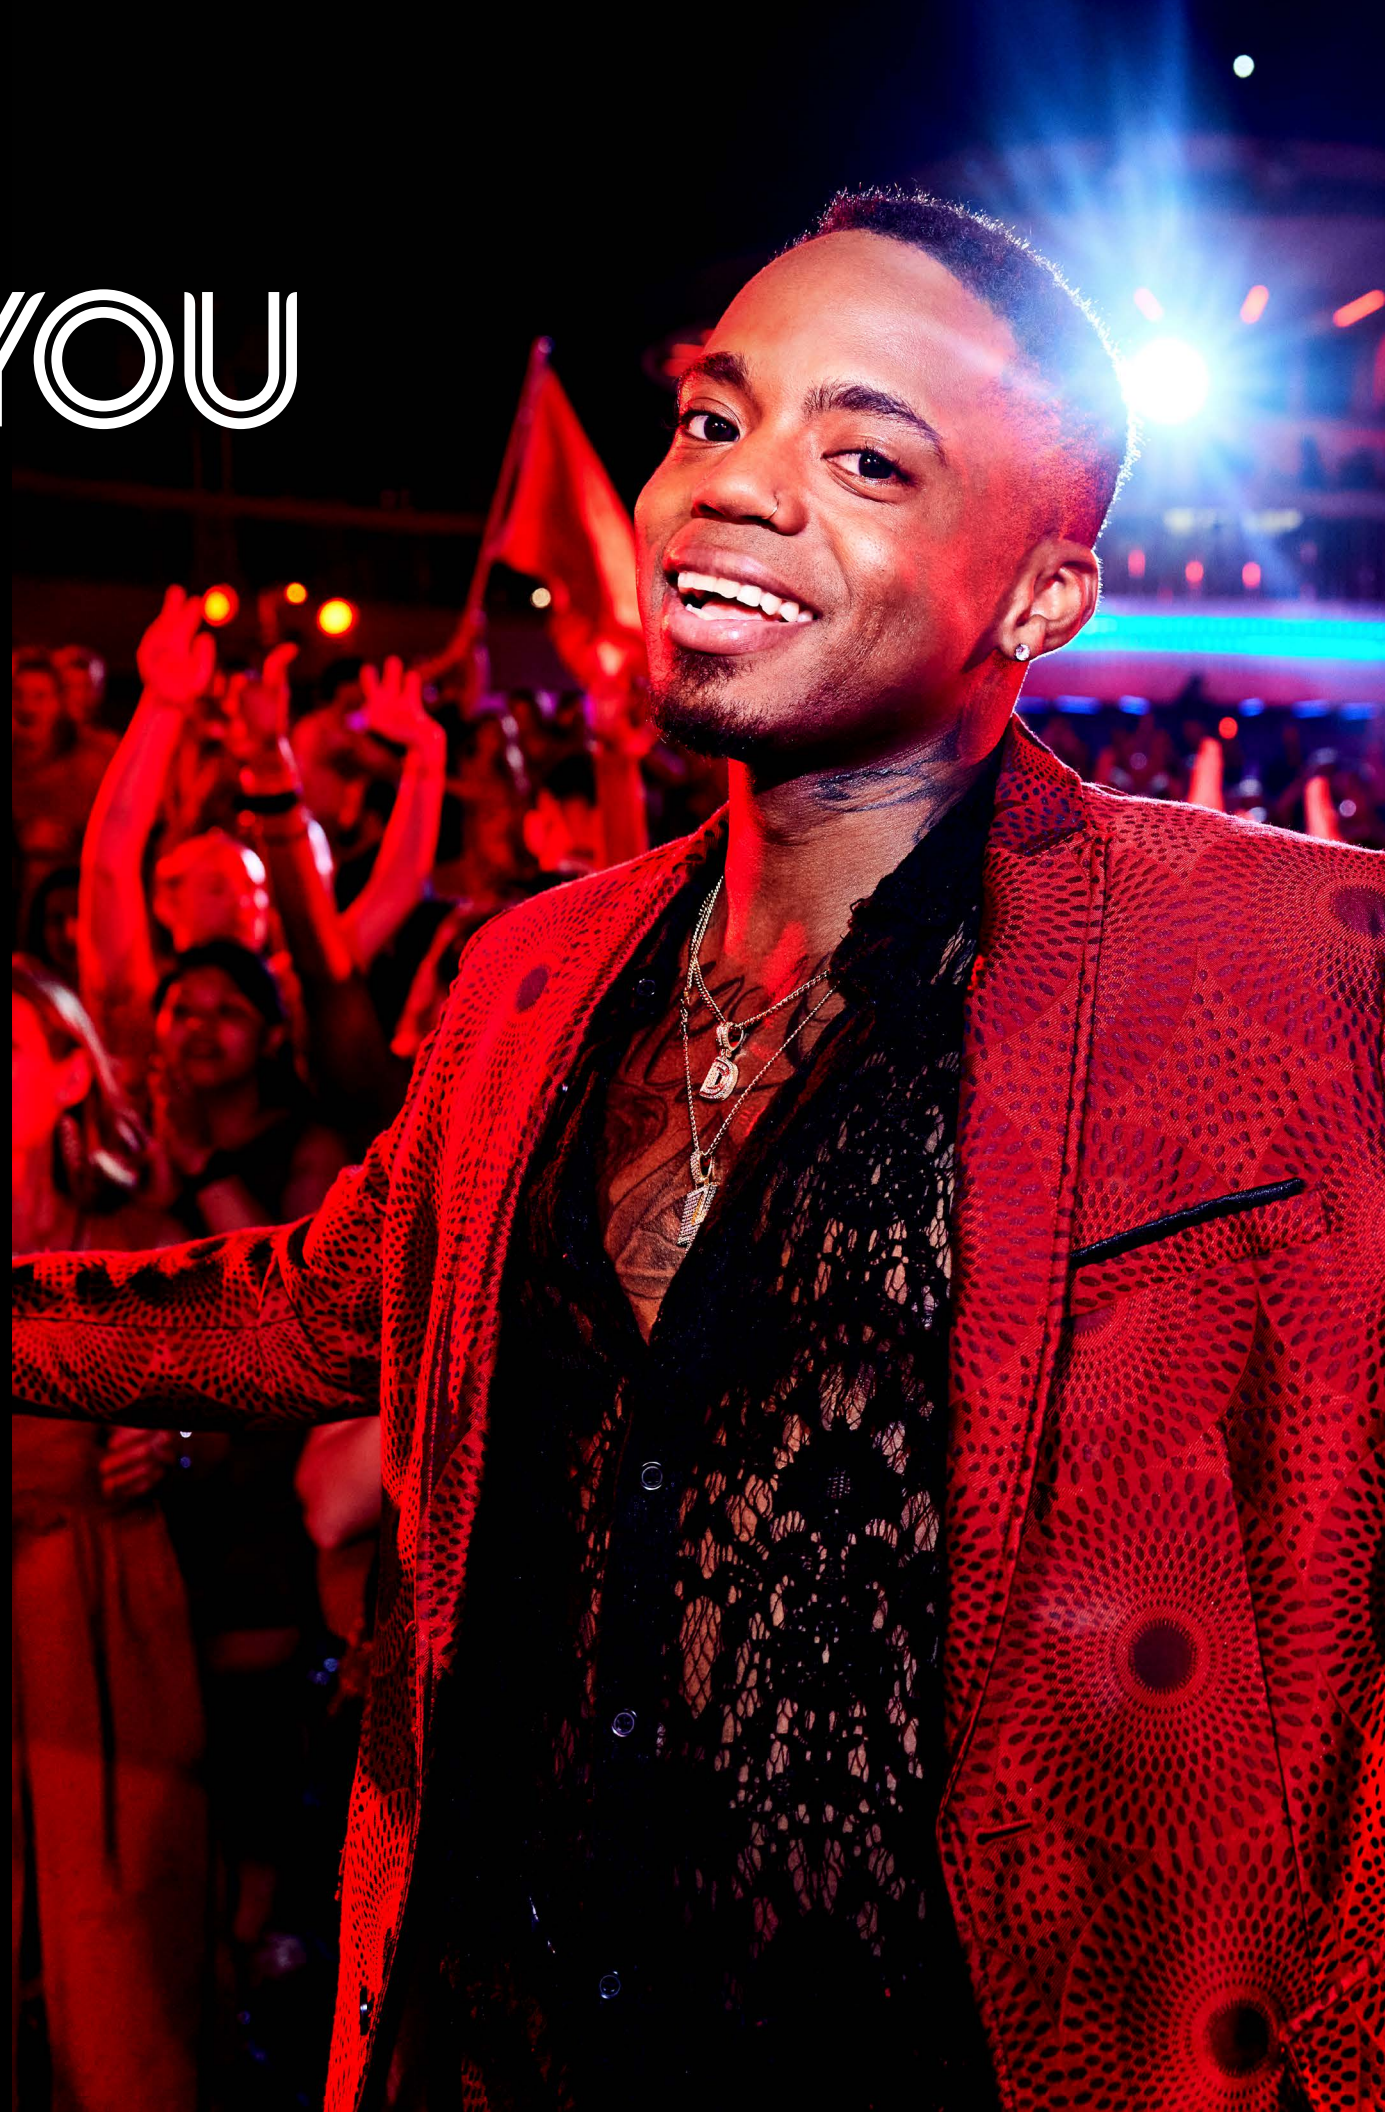

From epic parties and live music to groundbreaking shows and happenings,
we're changing what you can expect from entertainment at sea.

LET US

ENTERTAIN YOU

What if New York's best comedy club, East Austin's most talented up-and-coming musicians, a handful of gold medalist gymnasts, and the ghost of Studio 54 got together to transform a ship into a series of acrobatic productions, interactive experiences, and soirees replete with floating cocktails and zodiac stories under the stars? Well, you'd pretty much have the entertainment scene on our lady ships.

Entertainment is fundamentally part of Virgin's DNA, as is showcasing the best cutting-edge talent. With the help of our Creative Collective, we're taking that legacy to the oceans. From breathtaking performances to epic afterparties, our events will have you celebrating every moment.

THE BALANCER

~~CRUISE DIRECTOR~~

THE HAPPENINGS CAST

We threw out the rule book when it came to the role of Cruise Director. Instead, that role is spread out among varying personalities on the ship — our Happenings cast. So, rather than hoping an entire ship can jive with one personality (which feels deeply unlikely)—you have the option of gravitating toward a leader (and subsequently, other folks) more up your alley.

These 12 personable, outgoing, confident, and exceptional humans are out to share their talent, passion, and knowledge with you all voyage long. From art classes to bar crawls, karaoke and trivia to sunrise breathwork sessions, the Happenings Cast makes it happen.

| The Hostess

A glamorous songstress and storyteller who hosts many marquee events, including her own cabaret.

| The Gamer

An expert in both digital and old school games who greases the gears for Sailors to connect over board games, cards, trivia, and more.

| The Charmer

A magician with excellent close-up skills, who goes with the flow to dazzle anytime and anywhere.

| The Balancer

An epic motivator and wellness warrior who guides Sailors in fitness and nutrition to reach for their best.

| The Foodie

A gastronomic guru who knows their way around all our exquisite dining and drinking venues, popping up to host tasting events and talk cuisine both on and off the ship.

| The Diva

The resident drag queen is the life of every party, with her playful wit, fierce vocals, and dazzling dance moves.anytime and anywhere.

| The Spark

Whether leading the pack to the dance floor or going with the flow, The Spark is here to light up every party onboard.

| The Artist

A creative genius unafraid of encouraging Sailors to paint outside the lines and think outside of the box.

| The Flare

Craving elevated experiences, The Flare is focused on reveling in all that our ship has to offer while helping Sailors to connect.

| The Hype

From the moment the party starts until the last piece of confetti has fallen, The Hype is always serving the best moves and inspiring a good time.

| The Bounce

Always near to spring into gear, The Bounce keeps Sailors in the loop and active in all of our hot spots.

UNPARALLELED

ENTERTAINMENT

All the phenomenal entertainment you can expect aboard every single one of our lady ships. We don't mean to show off, but with this line up across our fleet...we can.

ANOTHER ROSE

UNTITLED DANCESHOWPARTYTHING

SCARLET NIGHT

This is it — the party of a lifetime that'll have you breathlessly trying to describe it to friends and family when you're back on land, but nothing could ever come close to the actual experience of it. Scarlet Night is the marquee event of every voyage, transforming the entire ship into a menagerie of delights and immersive performances to tell the story of the romance of the ocean. It all culminates around the pool in an open-air, drenched-in-red dance party unlike anything else. And there's absolutely an epic after party, too.

FESTIVAL STAGE ACTS

Taking a cue from festival-style performances, our rotation of comedians, magicians, and specialty artists will keep you entertained with their unique style of theatrics and exhibition. Through comedy, music, or audience participation, you'll experience something different during every enticing show.

PJ PARTY

Because the name of the game is comfort, the dress code is simple: wear pajamas. Cozy PJs, zany PJs, even onesies — all styles welcome. Surprises will unravel through the night as you party with divas, rock stars, best friends and new friends.

UNTITLED DANCESHOWPARTYTHING

Equal parts show and party, immerse yourself in this deeply silly high-energy dance spectacular. Bring your dancing shoes (the audience stands for the whole show) and get ready for confetti cannons! Created by Sam Pinkleton & Ani Taj.

DUEL REALITY

This fast-paced retelling of Romeo and Juliet through circus and movement is produced by The 7 Fingers. It's an adrenaline-boost of a love story with an elaborate circus twist. You'll be awed as two groups grapple in a sports arena-like setting with the desire to rise above one another through graceful and death-defying acts.

IT'S A SHIP SHOW!

With The Manor transforming into a supper club, you'll enjoy a bit of nostalgia with a twist (naturally) in this old-school variety show. Featuring a menu of delicious food, a live band, killer vocals, dancers, variety acts, comedy and games — this show is the SHIP.

SCARLET NIGHT

| Persephone

This cutting-edge immersive experience tells the tale of Persephone, whose descent into the Underworld caused the earth to fall into winter (and whose return brought spring back to the land — the ancient Greek explanation for seasons). Journey along as she explores a rock-n-roll Underworld outfitted with lavish couture costumes and decidedly non-ancient lights and tech.

| Another Rose

An acrobatic love story meets a celebratory dinner party, you'll never forget Another Rose. This one-of-a-kind immersive experience produced by Randy Weiner features singers, dancers, and circus artists in a delicious feast for the senses that's equal parts cabaret and immersive theater.

| We Fancy

A party created to celebrate all the best feelings: confidence, freedom, and bliss. Dress as the fanciest version of yourself and join in a night of collective exuberance, featuring glamorous, global beats from all corners, and a WOW moment not to be missed.

| Mind Mangler: Member of the Tragic Circle

(Broadway World).

| Club Caliente

Come dressed to dazzle and dance the night away to salsa, bachata, reggaeton, and Latin pop at Club Caliente — where the rhythm is hot, the energy is high, and the night is just getting started.

| Lola's Library

This later-at-night literary affair follows Lola and a cast of characters through an eclectic book collection of fairy tales, crime, horror, and beyond. A cheeky, twisted cabaret featuring acrobats, dancers, and other surprises that blends a cocktail soirée and an immersive cabaret; join for a chapter or stay all night long.

Step through time from the Golden Age of cinema to modern-day Hollywood with our resident drag queen, The Diva. Packed with glitz, glamour, and Tinseltown gossip, this dazzling show in The Manor sees The Diva take on iconic film roles with her signature vintage charm.

Bust out your brightest '90s looks and pop the champagne as we dance away the fear that our computers will reset at midnight. Relive the era of Sunny D, turn-of-the-century tunes, and epic vibes.

| Klub Rubiks

Led by the Happenings Cast, Klub Rubiks invites Sailors to channel their inner '80s icon with bold fashion and big dance moves. With throwback hits, neon lights, and all the most iconic bits of the '80s, it's the ultimate party for nostalgia lovers.

| The Miss Behave Show

The Host and Assistant will keep you entertained, while guiding you to the ultimate Grand Prize finale experience.

A cappella dynamos, The Magnets, have wowed crowds from London's West End to Tom Jones' tour and even the late Queen's Jubilee. Beatboxing, slick harmonies & epic energy? Look no further.

Before fame, Lola was a ship librarian. But when a cursed book bursts open, stories come alive and she and her friends must sing, dance, and fight through the chaos!

MUSIC IS IN

OUR DNA

When you drill right down to the core, Virgin Voyages is a descendant of the greatest indie record label of all time. And when other music labels were spinning soft rock, Virgin gave the world The Sex Pistols.

We continue this pioneering tradition at sea, diverging from what’s traditional and expected in favor of scouting the planet for unique talent that is 100% authentic, creative, and musically next-level.

Here’s what Sailors will be dancing, relaxing, sipping and socializing to on our gorgeous lady ships...

	Scarlet Lady	Valiant Lady	Resilient Lady	Brilliant Lady
Guest Artist Bands Each ship has a Guest Artist Band that sails with us for up to one month at a time (so the tunes are always fresh). We have hosted finalists from NBC's The Voice, holders of platinum records, and even Grammy winners playing everything from Blues and Funk to Rock, Pop, R&B, and Latin.				
Buskers We host authentic buskers direct from the corners of Edinburgh, London, and other cultural capitals around the world. Floating on and off of our ships are loopers, flamenco and lap tapping guitarists, violinists, and even flute beatboxers.				
Guest Artist DJs Our DJs don't play The Wobble; they play Vegas and Ibiza. We hire tastemakers and trendsetters who open for the biggest acts in the world, hold residencies at iconic clubs, and produce for the industry's top record labels.				
Latin Trios Our lady ships sailing out of Miami host Latin Trios who cover everything from Bachata to Merengue, Salsa, Cumbia, Reggaeton, and Latin Pop.				
Power Trios Our lady ships sailing in Europe and Australia are home to Power Trios who play a mix of rock, pop, and classic rock, all in an homage to our Johnny Rotten roots (they just don't trash the furniture).				
Duos Our lady ships need powerful female voices, and that's where our Duos come in. We navigate the globe looking for raw, powerful, and exceptional feminine voices that move souls and hearts as much as they move your feet.				
Background Music Even our background music is rooted in Virgin's music legacy. Our lady ships host over 30 music zones that cover nearly all genres and decades. Every sort of Sailor will find their spot, and tap along to everything from Sinatra to Sia.
